

Announcement

M. Elmer Ford, President of the Ford Motor Company, after the following statement:

"The price of the Fordson Tractor has been reduced from \$1000 to \$925, off over immediately."

The price change has been made possible through lower costs of materials and the fact that we are now located in our new Tuxedo Park, N. Y., with greatly increased manufacturing facilities in connection with our foundry and machine shop, and large manufacturing plant where from is produced directly from the factory, giving us an efficient method of production and distribution, and decreasing the price in line with our policy to market our products at the lowest possible figure without in any way affecting our high standard of quality.

"We are particularly pleased in being able to bring about this reduction in price at this time because the farmer needs all the help he can get and this big cut in price will be the means of placing the Ford power unit within the reach of practically every one of them, and mention industrial and commercial concerns which like to have the Ford fitted through its use and are already realizing a much better return on its value as a power and hauling unit."

But particularly the Fordson Tractor proved a most valuable factor in the saving of farm land at the same time in saving the port of crop yield as well as in making possible a unit of power previously unobtainable, to say nothing of removing a unit of power from the use of cheap power on the farm.

"There is no question that the use of cheap power on the farm is the greatest advancement made in the development of agriculture, not only in saving and making results as well as in increasing standards of living on the farm to a much higher level, but in increasing the power of the farmer to produce more and more profitably, consequently our desire to place the Ford on the farm is a real one."

"There is no change in the present Ford car and truck prices, we are already at the lowest possible figure and now with the Fordson Tractor, the tractor price a further reduction in price of the Ford Car Truck or Tractor is one of the questions, in fact, the big price has been made in anticipation of maximum maximum production increases may be necessary before long if a large volume of new business is obtained. Therefore, present price of Ford products cannot be guaranteed against possible increase."

Ask for the book "The Fordson at Work" which will be free of cost. Let us demonstrate the value of the Fordson on your farm, in your factory, lumber yard, coal yard, or in any general power work you have to do, and let us have your order for a Fordson.

And interest is what makes dollars grow—safely.

Of course, if you have saved money, you have it on interest—if not in good securities, then certainly in the bank.

It's far better to be safe than sorry.

Mr. P. C. Adam, a student of Hampden Sidney, preached in the Presbyterian church here last Sunday and notwithstanding the fact that two of his class mates, Messrs. Chatman Binford and Shakespeare Morris acted as chaperones this young man delivered a splendid sermon and since it has been known that he contented a search for Eve as soon as he makes good at College. The writer predicts that the Dawn of Day is very noticeable and we shall be glad to have Mr. Adam with us again.

Mr. Richard Fore is on the sick list having suffered the attack of a chill Monday.

Cleveland Lee Clement, the eight year-old son of Mr. and Mrs. Cleveland Clement, of Elm, died last Saturday and was buried on Monday at Olive Branch, Services by his pastor Rev. J. M. Moser, and the Prospect choir rendered a most appropriate elegy. Cleveland was an exceptional bright boy and being the only child the parents are greatly distressed and their only comfort is to look forward to the great reunion that is to come hereafter.

Quite a number of our farmers attended the tobacco growers club at Appomattox Saturday and Mr. Wilson Hix was appointed to canvass this section of the county with reference to signing the growers contracts. Mr. Floyd Gilliam had to see his share man for his share of some of their crop of tobacco.
